

Minutes of club meeting September 2023

Meeting start at 8.00pm - 14 Members attending

1. 168 Members joined
2. Finances - we should break even or £500 down. Subs may have to rise at the AGM
3. BMFA Northern area committee requires a new secretary & achievement scheme coordinator. It was explained that these were not particularly hard jobs being only 4 or 5 meetings a year, so do we have any volunteers ?. No one was interested.
4. Achievement event at PANDAS on 16th September.
5. The 4 training aircraft donated by Northern area were explained that they were for pupils attending achievement events & not for general club use. PANDAS have 2, Dewsbury have 1. & West yorks have 1.
6. October club meeting (3rd) will be a talk on Opti/power/fuel, start time 7.30pm.
7. The re-arranged BMFA scale event will now be Sunday 8th October.
8. The BBQ that has been offered (mentioned last month) was explained that we would not accept it if we did not get any volunteers to be cooks & look after it. It was noted that we have had 2 volunteers up to now. (Another volunteered next day - Wednesday training day).
9. A reminder that AGM is only 2 months away, & if you have any proposals or committee positions, start thinking.
10. AOB - none.

After the meeting, Terry Lee & John Mosley gave a talk on the use of the GPS telemetry module (Spektrum SPMA 95871) & how it can help with diagnosing Rx faults such as fades & holds, besides giving information such as height, speed, distance, Lat & Long position etc.
