- 1. Download the PANDAs flying site to your PC from http://www.mhr.me.uk/PANDAs%20%28Pontefract%20and%20District%20Aeromodellers%29 PI.RFX
- 2. You should be prompted to save the file on your computer, make a note of where it gets saved. Press **Save**

- 3. Import the site into RealFlight9 as follows:
 - a) Run RealFlight9
 - b) From the menu, select Simulation/Import/RealFlight Archive (RFX, G3X)

c) Select the file downloaded in step 2 above, and press **Open**.

open				^
Look in:	🕹 Downloads	· · · · · · · · · · · · · · · · · · ·	· 🗿 🤌 📂	
Auick access	Name Today (1)	ntefract and District Aeromode	llers) DLRFX	Date modified ^
